WHEREAS, The Gay, Lesbian, and Straight Education Network designates the third Friday of every April as the National Day of Silence; and

WHEREAS, Hundreds of thousands of students at more than 8,000 schools have participated in the National Day of Silence in past years; and

WHEREAS, The Gay, Lesbian, and Straight Education Network's 2011 National School Climate Survey illustrates the pervasive harassment and victimization faced by lesbian, gay, bisexual, and transgender students by documenting their experiences within the preceding academic year; and

WHEREAS, Nearly 82% of lesbian, gay, bisexual, and transgender students reported being verbally harassed by their peers at school because of their sexual orientation, and more than 60% were verbally harassed because of their gender expression; and

WHEREAS, More than 38% of lesbian, gay, bisexual, and transgender students reported being physically harassed by their peers at school because of their sexual orientation, and over 27% were physically harassed because of their gender expression; and

WHEREAS, Over 18% of lesbian, gay, bisexual, and transgender students reported being physically assaulted by their peers at school because of their sexual orientation, and more than 12% were physically assaulted because of their gender expression; and

WHEREAS, More than 60% of lesbian, gay, bisexual, and transgender students reported that they felt unsafe in school, and nearly 30% reported missing at least one entire school day in the preceding month because of safety concerns; and

WHEREAS, Transgender students were more likely than all other students to report feeling unsafe at school because of their gender expression; and

WHEREAS, According to the National Transgender Discrimination Survey, those who expressed a transgender identity or gender nonconformity while in grades K through 12 reported alarming rates of harassment, physical assault, and sexual violence so severe that almost 15% of those surveyed had to leave school; and

WHEREAS, Student academic performance is affected such that lesbian, gay, bisexual, and transgender students who experienced high levels of verbal harassment because of their sexual orientation or gender expression report a grade point average nearly a half grade lower than those of lesbian, gay, bisexual, and transgender students who experienced low levels of such harassment; and

WHEREAS, The presence of supportive staff contributed to a range of positive indicators, including fewer reports of missing school, fewer reports of feeling unsafe, greater academic achievement, higher educational aspirations, and a greater sense of school belonging; and

WHEREAS, A growing number of cities and local education authorities in the State of Illinois are adopting laws and policies to prohibit name-calling, bullying, harassment, and discrimination against students on the basis of their sexual orientation and gender identity or expression; and

HOUSE RESOLUTION 210

WHEREAS, The executive board of the IOC voted after reviewing an IOC program commission report that analyzed 39 criteria, including TV ratings, ticket sales, global participation, and popularity; and

WHEREAS, According to IOC documents, wrestling ranked "low" in several of the technical criteria; and

WHEREAS, The decision to phase out wrestling will have a detrimental impact on many teams around the world, including the United States, whose wrestling medals are only outnumbered by swimming and track and field; and

WHEREAS, Wrestling is also one of the most popular youth sports in the United States, with nearly 275,000 competitors from 2010 to 2011; and
